Q: You have an array like **" var x = [10, 20, 30] "**
  Now sum all those items using for loop. The sum Result is 60.

Answer of the following Questions

Code:

```javascript
var x = [10, 20, 30];
var sum=0
for(var i=0; i<x.length; i++){
    sum += x[i]
}
document.write(sum)
```

Output:

```
60
```
